

# Talking Buddies

## Reading to your baby

Its never too early to start reading to your baby.

Babies love to hear the sound and rhythm of their parent's voice even if they don't understand the words yet.

Create routine of sharing books with your baby and see her interest in books grow and grow

For more information check out our website: [www.talkingbuddies.ie](http://www.talkingbuddies.ie)

Choose books with bright bold pictures and simple text. Look out for interactive books
